

Metro Housing Welcomes Three New Board Members

Metro Housing recently welcomed the following members to our Board of Directors.

Demetriouse Russell is founder and CEO of Venn Diagram Partners in Boston. He has 30 years' of experience and expertise in leadership and management consulting across a wide range of industries.

Linda Monteiro is Senior Project Manager, Department of Innovation & Technology, for the City of Boston. She has over twenty years of experience in community outreach, marketing, program development, coalition building, public relations, event management, and advocacy.

Denisse Tejada is a graduate of Metro Housing's Family Economic Stability Program (**FES**). She is a wellness coach and helped establish **On the Edge Nutrition**, which is introducing healthy alternatives to residents in South Boston.

Metro Housing would also like to thank **Jeffrey Packard** for his nine years of service as a member of the Board of Directors.

Demetriouse Russell

Linda Monteiro
