

Team Metro Housing Sets New Fundraising Record

Team Metro Housing raised more than \$71,000 this year, the most ever raised by one of our teams. The amount was equal to an average of \$10,000 per runner.

Team Metro Housing has had runners compete and raise funds through the Boston Marathon since 2006 thanks to the John Hancock Nonprofit Program. Runners have now raised more than \$585,000 to prevent families and individuals throughout Greater Boston from becoming homeless and transition from homelessness to stability.

Below are photos of all the members of this year's team on race day.
